SECTION 2. The determination of the Employee chosen will be based on seniority and the ability to do the job.

Article 33: TEMPORARY PLACEMENT OF INJURED EMPLOYEES

The Employer has the sole discretion to require an employee on a duty-related temporary disability to report for "light duty" or an alternative work assignment.

Any injury or recurrence of any injury after the execution of this Agreement must be duty-related in order to qualify under this provision.

An Employee restored back into the bargaining unit will be assigned duties to which seniority would entitles him. If seniority will not carry, the Employee shall be placed in accordance with the layoff and recall procedure of this Agreement.

SECTION 4. Employees promoted into the Corporals' Unit will be required to successfully pass a drug/alcohol screen.

Article 36: HEALTH AND SAFETY

SECTION 4. It is the responsibility of an Employee to notify his/her immediate supervisor, in writing, when any unsafe condition exists in the work environment. Such notifications shall be immediately investigated by such supervisor, who shall respond verbally to the Employee concerning the alleged condition. In the event that the supervisor determines that the conditions are safe and the Employee disagrees, the Employee may request a review of the circumstances by the next level supervisor within the chain of command. In the event that a disagreement persists concerning the level of safety in the work environment, the Employee may request a temporary reassignment until his/her complaint can be further investigated. In the event that a supervisor determines any condition to be unsafe, the supervisor will correct such condition at the earliest possible time and submit a report to the Safety and Sanitation supervisor concerning all circumstances.

SECTION 5. The Employer will continue to furnish basic emergency first aid for any work-related injuries occurring during working hours. Any such medical first aid provided by the Employer is intended to stabilize the medical condition of the affected Employee until further treatment is obtained via the Employee's health care provider; or for treatment of a life-threatening condition until outside emergency medical personnel are available.

SECTION 6. In regard to the identification and handling of inmates with communicable diseases, the Employer assigns, within the classification department, a screening officer to interview newly committed inmates and identify those needing special attention for security reasons, medical problems, psychiatric concerns or social service requests. Supervisory personnel are provided with a listing of inmates so identified and those suspected of exposure to a communicable disease are immediately referred to the jail physician. The appropriate placement and method of treatment are determined by the jail physician. All Employees have the responsibility to become familiar with the Medical Department's policies concerning special handling instructions for inmates within this category.

SECTION 7. The Employer shall provide appropriate policies, procedures, and training concerning emergency equipment which is located within the facility. Equipment inventory shall be in compliance with the "Minimum Standards for Jails in Ohio" (Ohio Administrative Code Chapter 5120).

Information provided to Employees shall include the symptoms of the diseases, modes of transmission, methods of self-protection, proper workplace procedures, special precautions, and recommendations for immunization where appropriate. The Employer recognizes that some Employees who work with individuals infected with the Hepatitis B virus may be at increased risk of acquiring Hepatitis B infection. In accordance with the U.S. Center for Disease Control guidelines, Hepatitis B vaccinations shall be provided upon request of Employees, including those who have direct contact with institutional or former institutional clients, at no cost to the Employee. If an inmate is found to carry a communicable disease, all appropriate precautions shall be taken.

SECTION 11. The Employer agrees to provide physical examinations without cost to Employees when such tests are necessary to determine whether the health of the Employees is being adversely affected by exposure to communicable diseases, harmful physical agents, or toxic materials. The Employer agrees to provide to each Employee the written report of any such medical examination related to occupational exposure. Employees shall be compensated at their regular rate of pay for time utilized in obtaining the physical examination.

SECTION 12. In the event that a supervisor has reasonable suspicion that an Employee is either mentally or physically disabled due to the use of illegal drugs, chemical/alcohol intoxication or other cause, the Employee shall not be allowed to work pending further medical, security, or toxicological testing and investigation pursuant to the Employer's "Drug Testing Policy". Further, an Employee involved in a vehicular accident, as defined in the County Policies and Procedures Manual, may also be subject to post-accident alcohol and/or drug testing in accordance with that policy. An Employee required to submit to testing is entitled to union representation.

If the test results are negative, the Employee shall be returned to work on his/her regular shift. If the test results are positive, the Employee shall be subject to disciplinary action, up to and including removal.

Any Employee who reports for duty or works while under the influence of intoxicating drugs or alcohol shall be subject to disciplinary action, including dismissal. If an Employee is mentally or physically disabled because of an adverse reaction to a lawfully prescribed medication, the Employee shall not be allowed to work as scheduled and shall be charged with sick leave for all hours not worked as a result of said disability.

SECTION 13. The parties recognize that all Correction Officers Corporals must be fit to perform their jobs effectively and so that they do not constitute a threat to themselves or others. The County may require that Correction Officer Corporals take part in reasonable, valid and job-related training to assess an employee's ability to perform actual or simulated job tasks such as, but not limited to, self-defense and other training or assessment that is job-related and consistent with the operational needs of the Employer. Prior to implementing training or assessment pursuant to this Article, the County shall use an expert to certify the validity of the test or assessment measure and shall provide the Union with an opportunity for input. If an employee does not complete and pass required training and/or assessment, he/she shall be given an opportunity to re-train and/or be re-assessed. If an employee subsequently fails to complete and pass training and/or assessment required by the County pursuant to this section of the CBA, he/she shall receive written notification which may be considered for purposes of performance evaluations, and promotions.

Article 37: FACIAL HAIR

SECTION 1. There shall be no restrictions upon the privilege of a unit member relative to facial hair or sideburns other than a requirement that said facial hair or sideburns be neatly trimmed.

Article 38: INVESTIGATION

An internal security investigation may not deny the unit member due process of law such as warnings and notice of the charges against him. The Employee may be represented by the Union only. However, where such investigation contemplates criminal charges, the Employee may be represented by an attorney.

Article 39: JAIL SECURITY INCIDENTS

SECTION 1. A unit member involved in an incident with an inmate(s) shall be removed from the area immediately, or as soon as security considerations permit, after the incident has been brought under control.

SECTION 2. The purpose of this provision is to enable the Employee to prepare a report of the incident.

SECTION 3. If the incident is of a physical nature (fights, escape attempts, or restraint of any type) the Employee will be relieved for the time required to prepare a properly detailed report.

Article 40: USE OF SHERIFF'S VEHICLES

SECTION 1. A Corporal may be assigned to drive a Sheriff's Department marked vehicle only in the event of an emergency condition arising from Correction Center operations and in the absence of a Deputy Sheriff, provided that Corporal has a valid driver's license.

Article 41: NON-USE OF EMPLOYEE VEHICLE

SECTION 1. The Employer shall not anticipate nor direct the Employee to use the Employee's vehicle for any working purpose whatsoever.

Article 42: PARKING

SECTION 1. The Department shall continue the present parking arrangement in the Sheriff's garage, P2 Level in its current form as it is presently administered for all unit members.

Article 43: EMPLOYEE EVALUATIONS

SECTION 1. Written performance evaluations shall be completed on all Employees at least once each calendar year. Evaluations are intended to assess an Employee's job performance pursuant to the position description of the classification. Such position description shall be on file with the Employer and shall be made available to an Employee upon request.

SECTION 2. All completed evaluations shall be maintained by the Human Resources Department and shall be made available for review by the Employee upon request. An Employee may submit a written response to the evaluation which shall be maintained in the Employee's personnel file.

SECTION 3. Performance evaluations shall be completed by a supervisor who has knowledge of the Employee's position description and job performance for the evaluation time period involved.

Article 44: PERSONNEL RECORDS

SECTION 1. Members of this bargaining unit will be permitted to view the contents of their personnel file with a member of the Human Resources Department after first making an appointment to do such with that office. Such appointment shall be on the Employee's own time.

SECTION 2. Any material that the Employee finds questionable or objectionable in his personnel file may be addressed through the established grievance procedure in this Agreement.

Article 45: EMPLOYEE DISCIPLINE

SECTION 1. Employees covered by this Agreement shall not be disciplined or discharged except for just and proper cause.

SECTION 2. The Employer shall provide a pre-disciplinary conference for an Employee who was alleged to have violated any departmental rule(s) (excluding paid, or "working", suspensions) as defined in the Standard Schedule of Disciplinary Offenses and Penalties for Employees of the Cuyahoga County Sheriff's Department or any other

successor policy. This conference shall be conducted by a neutral administrator selected by the Employer who is not directly in the chain of command of the Employee. At the pre-disciplinary conference, the Employee shall have the right to be represented by the Union. The Employee shall be afforded the opportunity to offer an explanation of any alleged misconduct. Only the neutral administrator is authorized to tape record a pre-disciplinary conference. If the neutral administrator elects to tape record the conference, a copy of the tape recording will be provided to the Union upon written request and at Union expense. A report of said conference shall be prepared by the neutral administrator. The Employer shall determine what discipline, if any, is appropriate within 30 working days (Monday – Friday) after the pre-disciplinary conference is held.

Prior to the pre-disciplinary conference, the Employer will provide the Employee and the Union with a written notice of the basis for the discipline, including the specifics of the alleged violation, copies of the documents and list of witnesses known at the time who may be used to support the charges.

SECTION 3. For the purpose of determining the severity of discipline being imposed, the Employer shall not take into account any previous disciplinary action rendered against the Employee which occurred more than thirty-six (36) months preceding the date of offense in the current charge. Copies of any disciplinary action rendered shall be given to the Employee and to the Chief Union Steward. An Employee may appeal any disciplinary action rendered through the grievance procedure, beginning at Step 3 thereof, by filing a written grievance with the Employer's designee within five (5) working days from the date of imposition of the disciplinary action.

Article 46: GRIEVANCE PROCEDURE

SECTION 1. The grievance procedure is a formal mechanism intended to assure that Employee grievances which may develop in the day-to-day activities of public service are promptly heard, answered and action taken where appropriate.

SECTION 2. The term "grievance" shall mean an allegation by a bargaining unit member that there has been a breach, misinterpretation, or improper application of this Agreement.

SECTION 3. A grievance may be brought by any Employee covered by this Agreement. If a group of bargaining unit Employees desires to file a grievance involving an incident affecting several Employees in the same manner, one Employee shall be selected by the group to process the grievance. A steward shall have the right to file a grievance on behalf of all bargaining unit members. In the event multiple grievances are filed on an identical issue, the Employer, upon notification to the Union, shall consolidate the multiple grievances under one name and grievance number.

SECTION 4. The written grievance shall be submitted on the appropriate grievance form, and shall contain the following information:

- a) aggrieved Employee's name;
- b) aggrieved Employee's assignment;

- c) name of the Employee's immediate supervisor;
- d) date and time of the incident giving rise to the grievance;
- e) date and time the grievance was first discussed and with whom;
- f) date the grievance was filed in writing;
- g) a statement as to the specific section(s) of the Agreement violated;
- h) a brief statement of the facts involved in the grievance;
- i) the remedy requested to resolve the grievance.

SECTION 5. The time limitations established in this Article may be extended by mutual agreement between the Employer and the Union. "Working days", as used in this Article, shall not include Saturdays, Sundays, or holidays. Failure by the Employer to communicate a decision at any step of the formal grievance process within the specified time limit shall permit the grievance to be advanced to the next step of the process.

SECTION 6. The grievant is entitled to have a Union steward at every step of the Grievance procedure. The Employee may elect to have a particular steward, provided that the steward is on-duty, the operations of the Employer are not unduly disrupted, and the Employee gives reasonable notice.

SECTION 7. Each grievance shall be processed in the following manner:

STEP 1. – Immediate Supervisor (Sergeant)

An Employee having a grievance, and/or the Union, will first bring that complaint orally to the attention of the Employee's immediate supervisor within three (3) working days of the incident giving rise to the grievance. The immediate supervisor will be informed that this is the first step of the grievance procedure and shall discuss the grievance with the Employee and/or the Union within three (3) working days of such oral complaint. Within two (2) working days of such discussion, the supervisor shall orally respond to the Employee with an answer to the complaint and make a record that the discussion took place, providing a copy to the Union. If the grievance is not resolved at Step 1, the Employee and the Employee's steward shall, within two (2) working days, reduce the grievance to writing on the appropriate form, and submit such form to the Sheriff's administrative designee for further processing. Grievances concerning disciplinary suspensions or discharges must be commenced by reducing them to writing on the appropriate form and submitting them to the Sheriff's administrative designee within three (3) working days of the imposition of the disciplinary action. Processing of such grievances shall thereafter proceed at Step 3.

STEP 2. – Jail Administrator, Warden, or Associate Warden

The Sheriff's administrative designee shall forward the Employee grievance to an appropriate intermediate manager. The intermediate manager shall schedule a formal meeting to be held within five (5) working days of the receipt of the grievance

between himself, the aggrieved Employee and the Union. Prior to this meeting taking place, the intermediate manager shall make an investigation of all allegations contained in this grievance. Within three (3) working days of the above meeting, the intermediate manager shall provide the aggrieved Employee and the Union with a written response to the grievance. If the grievance is not resolved at Step 2, it may be appealed to Step 3 within five (5) working days.

STEP 3. – Department of Human Resources

Upon receipt of a written grievance which has been processed through both Step 1 and Step 2 of this procedure, the Department of Human Resources (other than the administrative designee) shall schedule a formal meeting within seven (7) working days between the aggrieved Employee, the Union Representative, a union steward and the Employer representative. Prior to this meeting taking place, the Employer representative shall investigate the allegation(s) contained in the grievance. The Employer representative shall provide the aggrieved Employee and the Union Representative with a written response to the grievance within ten (10) working days after the above meeting.

STEP 4. - Arbitration

If the grievance is unresolved at Step 3, the Union may advance it to arbitration by submitting a written Notice of Appeal to Arbitration to the County Law Department within thirty (30) calendar days following the date the Union received the Employer's Step 3 response. In the event the grievance is not referred to arbitration within such time limit, the grievance shall be considered resolved based upon the Employer's Step 3 response.

SECTION 8.

If the Union appeals to arbitration, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the Union shall obtain a panel from the Federal Mediation and Conciliation Service ("FMCS"). The panel shall be limited to members of the National Academy of Arbitrators from the Northern Ohio sub-region of FMCS. The panel members' names will be alternately stricken until stricken until one name remains, who shall be designated by the parties to hear the matter. The arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the specific terms of this Agreement, or to make any award requiring the commission of any act prohibited by law, or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement. The fees and expenses of FMCS, the arbitrator and the cost of the hearing room, if any, shall be shared equally by the parties. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party. The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

The Union agrees to hold the Employer harmless against any and all claims, demands, suits, or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit during the exercise of his rights as provided by the grievance and arbitration procedures contained herein.

Article 47: PART-TIME EMPLOYMENT

SECTION 1. This article defines the policy of part-time employment as it pertains to the bargaining unit members. The policy shall be in compliance with prevailing federal, State and local laws and ordinances.

SECTION 2. Bargaining unit members must apply to the Employer and obtain the Employer's written permission prior to engaging in part-time employment outside the Sheriff's Department. The granting or denial of such request shall be governed by the following criteria:

- a) The part-time employment may not be such as would in any manner adversely affect or interfere with the Employee's performance of duties for the Sheriff's Department;
- b) The part-time employment may not create an actual conflict of interest or the appearance of a conflict of interest with the operations of the Sheriff's Department;
- c) The part-time employment may not be such as would create an appearance of impropriety;
- d) The part-time employment may not be at a place of business where any principal or officer of the business itself has been convicted of, or is under investigation for, serious criminal conduct;
- e) The part-time employment may not involve more than thirty (30) hours of work per week; and,
- f) When deemed necessary by the Employer, the Employee seeking part-time employment must provide the Employer with evidence that liability insurance satisfactory to the Employer, or a "hold harmless agreement" satisfactory to the Employer has been secured which would hold the Employer, Cuyahoga County and their representatives harmless from any actions or inactions arising out of the Employee's part-time employment;
- g) The part-time employment shall not violate the County's Ethics Ordinance.

SECTION 3. Requests must be approved by the Employer prior to the commencement of part-time employment and such applications must be renewed annually thereafter. Requests for approval will be acted upon by the Employer as soon as practicable. The Employer shall have the right to rescind previously granted permission for part-time employment upon a change of circumstances and in accordance with the criteria set forth above. In view of the nature of the duties of Corrections Officer Corporals and the liability which may flow from their actions or inactions, the parties agree that neither the Employer's denial of a request for part-time employment, nor the Employer's rescission of previously granted permission for such

employment, shall be subject to the grievance procedure or any other appeal beyond the Employer.

SECTION 4. Under no circumstances will bargaining unit members be allowed to wear a Corrections Officer Corporal uniform during the hours of part-time employment.

Article 48: LAYOFF AND RECALL

SECTION 1. When the Employer determines that a layoff is necessary, the Employer shall notify the affected Employee(s) and the Union at least fourteen (14) days in advance of the effective date of such layoff. If the Union requests, the parties shall meet to discuss the Employer's action. Employees whose jobs are abolished shall have the same rights as Employees involved in a layoff action who are on layoff due to reasons other than job abolishment.

SECTION 2. The Employer shall determine when a layoff will occur. Affected Employees will be laid off in accordance with their established seniority. Bargaining unit Employee(s) with the least seniority will be laid off first, in the following order:

- a) Temporary Employees;
- b) Part-time Employees;
- c) New hires who have not completed their probationary period;
- d) Employees who have completed their probationary period.

In the event that more than one Employee has the same date of promotion, and the same date of hire, seniority will be determined by alphabetical listing of their last name, with "A" being the highest and "Z" being the lowest in seniority.

SECTION 3. Employees who are laid off shall be placed on a recall list for a period of twelve (12) months. If there is a recall, Employees who are still on the recall list shall be recalled in the inverse order of their layoff. Seniority will terminate after twelve (12) continuous months of layoff. Seniority will accrue during those twelve (12) months, however.

SECTION 4. Notice of recall shall be sent to the Employee by certified mail. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail with a copy of such notice to be sent to the Union, return receipt requested, to the last mailing address provided by the Employee.

SECTION 5. The recalled Employee shall have seven (7) calendar days following the date of the receipt of the recall notice, as received by the Union or Employee, to notify the Employer of the intention to return to work and shall have three (3) additional calendar days to report for duty unless a later date for returning to work is otherwise specified in the notice.

V. LEAVES

Article 49: FAMILY AND MEDICAL LEAVE (F.M.L.A.)

SECTION 1. The Employer shall have the right to administer FMLA leave to the full extent permitted by federal law, including, but not limited to, its coordination with any other leaves and other benefits.

Article 50: SICK LEAVE

SECTION 1. All Employees shall accrue sick leave credit at the rate of four and six-tenths (4.6) hours for each eighty hours of completed service. Sick leave credit shall be prorated in accordance with the hours of completed service in each pay period. Unused sick leave may be carried forward from one calendar year to the next without limitation. Employees shall continue to accrue sick leave when they are on paid leaves of absence.

SECTION 2. Employees who are unable to report for work, and who are not on a previously approved absence, shall notify the Employer at least one (1) hour prior to the Employee's scheduled work assignment, unless emergency conditions prevent such notification. In the event of an anticipated extended absence in excess of three (3) consecutive work days, the Employee shall notify the Human Resources department of the absence and the estimated duration of same as soon as possible.

SECTION 3. Sick leave may only be used by an Employee for the following reasons:

- 1) Illness, injury, pregnancy or pregnancy-related condition of the Employee or member of the Employee's immediate family where the Employee's presence is reasonably necessary for the health and welfare of the Employee or affected family member;
- 2) Exposure of the Employee to a contagious disease which could jeopardize the health of other Employees;
- 3) Examination or treatment of an Employee or member of his immediate family where the Employee's presence is reasonably necessary, including medical, psychological, dental, or optical examination by an appropriate practitioner.

SECTION 4. For purposes of this article, the definition of immediate family shall include: the Employee's spouse, child, mother, father, brother, sister, grandparent, grandchild, mother-in-law, father-in-law, legal guardian, or other person who stands in the place of a parent.

SECTION 5. When an Employee returns to work, a signed explanation of absence/sick leave on a form provided by the Employer shall be submitted prior to the end of the Employee's shift. Falsification of either the signed statement or a physician's certificate or application for use of sick leave with the intent to defraud shall be grounds for disciplinary action, up to and including dismissal.

In the event of an absence from work on sick leave exceeding three (3) consecutive work days, the Employee shall provide a physician's statement upon return to work specifying the Employee's ability to return to work without restrictions. If such absence was due to the illness or injury of an immediate family member, the physician's statement shall indicate that the family member was under a physician's care and that the Employee's presence was reasonably necessary for the health and welfare of the family member.

If in the current calendar year, an Employee's absences exceed five (5) undocumented occurrences directly preceding or directly following a regularly scheduled off day during a normal work week, a certificate from a licensed physician stating the nature of the condition shall be required by the Employer for justification and use of sick leave.

An occurrence shall be defined as any amount of consecutive sick time used by the Employee including, but not limited to, consecutive full days.

SECTION 6. An Employee who engages in the pattern use of sick leave shall be warned by the Employer. A pattern use of sick leave shall include, but not be limited to: consistent periods of sick leave usage before and/or after vacation days; absence following overtime worked; partial days; or a continued pattern of maintaining zero or near zero leave balances. If the Employee continues to engage in such conduct, the Employee may be required to submit medical documentation for the future use of sick leave.

SECTION 7. Any Employee who uses no sick time, and has no attendance violations as defined by the Employer's AWOL policy, for a six month period (January 1 – June 30 / July 1 – December 31) will be permitted to convert three (3) sick days to three (3) vacation days.

Article 51: FITNESS-FOR-DUTY EXAMINATION

SECTION 1. If the Employer has reasonable suspicion to believe that an Employee is medically or psychologically unable to perform all of the duties of the Employee's position, the Employer may relieve the Employee from duty. If relieved from duty, the Employee shall be placed on paid administrative leave and the Employer shall pay the costs of a medical or psychological examination that is required by the Employer. An Employee found by the qualified medical professional selected by the Employer to have a medical or psychological disorder, condition, syndrome, or is otherwise unable to perform his/her duties shall not be permitted to work and further time off duty may be charged to any applicable sick leave or vacation leave at the Employee's request or may be designated as FMLA leave at the Employer's initiative as permitted by law.

SECTION 2. An Employee relieved of duty under the preceding Section must be given medical clearance acceptable to the Employer by a qualified medical professional before being allowed to return to work. Such documentation must certify that the Employee is able to perform all of the duties of his/her position (unless there is an A.D.A. issue that can be reasonably accommodated). If there is a disagreement between the respective qualified medical professionals, they shall select a third qualified medical professional by mutual agreement. The third examination shall be mutually paid for by the Employer and the Employee and the results and conclusions of that examination shall be final and binding and not be subject to the grievance procedure.

Article 52: SICK LEAVE DONATION PROGRAM

SECTION 1. The intent of the Sick Leave Donation Program is to allow bargaining unit Employees to voluntarily provide assistance to co-workers in the bargaining unit who are in critical need of medical leave due to an extended injury or illness.

SECTION 2. A bargaining unit Employee may receive donated sick leave, provided that the donee Employee has:

- a) a serious medical condition as defined under the Family Medical Leave Act (FMLA) that would require the Employee to be away from work for more than ten (10) consecutive working days. Employees with intermittent absences (less than 10 consecutive days) do not qualify for leave donation;
- b) exhausted all accrued leave, including sick time, vacation time, compensatory time, and workers compensation benefits;
- c) submitted documentation from a physician verifying the medical condition and duration;
- d) submitted a fully-executed FMLA Dept. of Labor Form WH-380;
- e) given written permission to inform the Employee's fellow bargaining unit members of the need for donated leave.

The maximum amount of donated leave that a donee Employee may receive is three hundred (300) hours.

SECTION 3. A bargaining unit member may donate sick leave, provided that the donor Employee:

- a) Voluntarily elects to donate the leave and does so with the understanding that the donated leave time will not be returned;
- b) Donates a minimum of one (1) hour and does not exceed thirty-six (36) hours per calendar year. Donations must be in full hour increments;
- c) Retains a minimum of thirty-six (36) hours of accrued sick leave at the time of donation;

- d) Completes a leave donation form identifying the recipient Employee, the number of hours being donated and certifying that the leave donated is voluntary.

The Employer will not solicit leave donations from Employees; the Union and/or bargaining unit members will be responsible for solicitation of donations and completion of the necessary documentation. The donation of sick leave time will occur strictly on a voluntary basis. No Employee can be forced or coerced to donate. Any Employee who feels they are being pressured to donate should contact the Human Resources Department.

Article 53: VACATION LEAVE

SECTION 1. Each full-time member of the bargaining unit, after service of one (1) year with the Employer, shall have earned and will be due upon the attainment of the first year of employment, and annually thereafter, eighty (80) hours of vacation leave with full pay. One year of service shall be computed on the basis of twenty-six (26) biweekly pay periods. Such vacation leave shall accrue to the Employee at the rate of three and one-tenth (3.1) hours each biweekly period.

SECTION 2. Each full-time member of the bargaining unit with five (5) or more years of service with the Employer shall have earned, and is entitled to, one hundred twenty (120) hours of vacation leave with full pay. Such vacation leave shall accrue to the Employee at the rate of seven and seven-tenths (7.7) hours each biweekly period.

SECTION 5. Vacation leave shall be taken by the Employee during the year in which it is accrued and prior to the next recurrence of the anniversary date of employment. Article 54: USE OF VACATION LEAVE

SECTION 1. Vacation leave shall be taken only at a time mutually agreed to by the Employer and the Employee. With Employer approval, Employees may use vacation time in full one (1) hour increments, if staffing permits. Once annually, an Employee can: (1) combine any unused vacation balances of less than twelve (12) hours with available compensatory time to equal one full vacation day; or (2) use the balance of less than twelve (12) hours on a “no pay/no AWOL” basis.

SECTION 2. The Employer shall grant first priority to vacation leave requests received at least six (6) months, but not more than one (1) year, prior to commencement of the requested vacation leave period. Such vacation requests shall be granted with preference to Employees with the greatest classification seniority. SECTION 3. Notification of disapproved or tentative approval (e.g., proper seniority pick) will be given to the requesting Employee within two (2) weeks of the submission of the request.

SECTION 4. All other requests for vacation leave shall be made at least fourteen (14) days prior to the commencement of the requested vacation leave period.

SECTION 5. When an Employee requests a vacation leave due to hardship, emergency situations, or unique opportunities, said requests shall be granted if they would not unduly jeopardize the operation of the jail.

Article 55: ACCRUED TIME RECORDS

SECTION 1. The Employer will provide each Employee with a complete bi-weekly accounting of accrued time in all categories.

Article 56: INJURY AND ILLNESS LEAVE - (BY INMATE)

SECTION 1. In the event an Employee is absent due to a disabling injury incurred on duty during an actual physical interaction with an inmate or while directly responding to a call for assistance, the Employee shall be carried on the payroll of the Employer for the period of disability, providing the extent of such injury or disability prevents such person from performing those duties as may be assigned and, provided further, such period shall not exceed one hundred fifty (150) calendar days within one (1) year of the date of injury. The injury shall not be the result of negligence, carelessness, or recklessness by the Employee. In order to be eligible, the Employee must submit an Employee injury report and a written statement from the attending physician or medical authority which:

However, in no case will more than one hundred fifty (150) calendar days of injury leave within one (1) year of the date of injury be approved.

SECTION 3. At the Employer's discretion, an Employee on an approved injury leave, as set forth above, may be required to work or be assigned other duties or limited duty during the period of disability at the Employee's regular rate of compensation, provided, in the opinion of the Employer's physician or medical authority, the Employee is sufficiently recovered from such injury to perform the assigned duties. If the Employee physician's opinion differs from that of the Employer's physician, the Employer shall select and pay a third physician whose opinion shall govern.

SECTION 4. Injury leave shall be granted in not less than whole hours, with a fraction of an hour being counted as the next full hour.

The highest-ranking authority on duty in the Correction Center will immediately review the circumstances and decide whether the Employee is relieved of duty, with no loss of pay, for the remainder of the shift.

Stress leave may be approved up to a maximum of five days, which will not be charged against any accrued time category.

SECTION 2. Employees authorized to use stress leave shall be subjected to a mandatory referral to an employee assistance program that is designated by the Employer, e.g. Ease@Work or other Employer-approved entity, which entity shall only confirm the Employee's attendance. The Employee, at her option, may utilize any or all of her accrued sick leave for maternity purposes. The Employee may also request approval for the Employer to utilize other forms of accrued paid leave. After exhaustion of accrued sick leave or other accrued paid leave which has been approved by the Employer, the Employee shall be placed on maternity leave of absence without pay for a period of time not to exceed three (3) months, inclusive of all paid leave taken.

All leave taken for maternity purposes shall counted against the Employee's F.M.L.A. entitlement.
